

PORTNEUF VALLEY COMMUNITY ENVIRONMENTAL FAIR 2010

Help us sponsor this Important Community Event

JOIN US FOR A DAY OF LEARNING AND FUN

We hope you will join us in sponsoring the 2010 Earth Day, “Give Green a Chance.” This year’s event will be filled with exhibitors who will provide information and activities that help community members learn about the small steps we can all take at home, work and around town to improve our local environment. Last year’s attendance reached about 3500; we are expecting a similar crowd this year!

Community Environmental Fair

Saturday, April 24, 2010

11 a.m. – 3 p.m.

Optimist Park, Pocatello (by City Hall)

www.envirofair.org

Highlights of this year’s CEF:

- Dozens of booths showcasing local businesses and non-profits with a commitment to sustainable development, green business practices, and local environmental issues
- FREE workshops on tree planting and xeric gardening
- Live music by local bands
- FREE hotdogs and veggie dogs for attendees
- Raffle prizes for attendees who visit all booths

We especially need cash donations to cover the cost of this FREE event and raffle prizes, for attendees who visit all of the booths. All donors will be recognized on a banner displayed at the CEF and recognized vocally on stage during the raffle prize giveaways, as well as listed on our web site. See attached sponsorship form for more benefits.

This is a great opportunity to promote environmental awareness and demonstrate your commitment to environmentally friendly activities and products that improve the quality of our environment. Many community members come to this fair to learn about environmentally friendly products and services that are locally available.

We are looking forward to another fun and educational event for our community. For more information about the CEF, please visit our web site at www.envirofair.org, or give me a call.

Thank you!
